Verse 2:

It's hard to breathe,
 And my heart's sinking.
 I'm slippin' fast
 As I am reachin' for you.
 It's gonna hurt, 'cause
 I have been there before.
 Can't take much more;
 Can't take another night
 Without you here beside me.
 (To Chorus:)

Verse 3:

Don't wanna care
 More than you do.
 Don't wanna be the one
 Who's out in the rain.
 Don't wanna get that call
 Where you sound so cold,
 So far away,
 So far away,
 Like the distant roll of thunder.
 (To Chorus:)
